Notes from page 3 above may be perused. The proposal in this file relates to the grant of interest free advance to all Backward Classes students studying in the various professional Colleges for the purchase of books instruments etc. necessary for their study on terms similar to the advances granted to the Harijan students in G.O. No.930 F.D.,dated 4-10-1049.

Finance Department while agreeing to the proposals, have pointed out that as funds will be provided for the award of scholarships in all deserving cases, it will be possible to recover the advances in almost all cases in one instalment, from the stipends or scholarships. This position is not correct. Out of a sum of Rs.5/- lakhs provided in G.O.Ms.No.531 F.D., dated 8-6-1949, a sum of Rs.1/- lakh was allotted for the sanction of fresh scholarships to students reading in Professional and Arts Colleges. This has been increased by Rs.80,000/- and this amount will be found by re-appropiration from other items, without increasing the total provision of Rs.5/- lakhs. For the year 1950-51 a sum of Rs.5/- lakhs has been provided. It cannot be said with any amount of certainity that similar provision will bemade possible to recover the advance from scholarships awarded to the students in one instalment, in some other cases where the students are not sanctioned scholarships it may have to be recovered in easy instalments only, the number being fixed in consultation with the Principals of the Colleges, as ~~the~~ the case of the Harijans - please see portion side lined 'A' on p. 30 c.f. of (G).

The case may be circulated to H.M.(R.D.) and H.M.(Fin.) for orders.

(a) whether advances may be sanctioned to all deserving backward classes students on the same terms and conditions as those prescribed for Harijans stuents in G.O.Ms.No.930 F.D.,dated 4-10-1949; and

(b) whether the proposal may be given effect to from the next year i.e. 1950-51.

Please see that the advances are recovered.
